

About Expiry Dates

for people with multiple certifications

This means this sort of example:

Joe Green became a CGBP 1/1/2003 with a certification expiration date of 1/1/2005.

Joe Green achieves 16 CEUs - 8 in mid 2003 and 8 in mid 2004.

Joe Green became a GreenPoint Rated Rater 1/1/2004 with a certification expiration date of 1/1/2006.

Since he achieved 8 CEUS in mid 2004, he will need 8 CEUs in order to recertify by 2006 for both his CGBP and GPR-Rater certifications.
