

Individual Membership Application Form

Thank you for your interest in Build It Green membership! Your support helps drive our success, and allows us to continue to do the important work of greening of the building industry across California.

Build It Green membership is available to individuals on an annual basis. **PLEASE NOTE:** Individual membership is available only for **students** and **homeowners/homebuyers** who are not involved in the green building industry. Individual professionals who are stakeholders in the building industry are required to join through their business or organization.

Individual membership should be viewed primarily as a contribution to Build It Green. No benefits are associated with the Individual membership level. For membership benefits, such as discounts on Build It Green trainings and events, use of the Build It Green logo, listing in "Our Members" section of the Build It Green website, and participation in our network of Councils & Guilds, please submit an application for Company membership on our website: <http://www.builditgreen.org/membership/company>
