"Designed to Be" Logo and Signage Terms & Conditions of Use Agreement

For homes requesting a logo for marketing purposes but have not completed the GreenPoint Rated process, the Builder and

- A. Builder has a demonstrable and successful commitment to green building.
- B. Builder has engaged the professional services of a certified GreenPoint Rater ("Rater").
- C. Rater or Builder has paid the \$400 initial application fee to Build It Green.
- D. Rater has submitted the Initial Application Materials (Data Collection Form, Energy report, and Debris Recovery Plan) to
- E. Builder has participated in a meeting with the GreenPoint Rater to review the criteria necessary to meet all of the intended measures selected in the Planning Scoresheet tab of the submitted Data Collection Form.
- F. Builder has included the GreenPoint checklist on the drawings, as an Addendum to the drawings or an Architects Supplemental Instructions (ASI).
- G. Builder has or will have conducted a pre-construction team meeting with the GreenPoint Rater, subcontractors and other project construction parties.
- H. All use of the GreenPoint Rated program logo and name shall conform to Build It Green's most current, published GreenPoint Rated Logo Style Guidelines.
- I. All Project marketing collateral bearing the GreenPoint Rated program name shall:
 - a. limit the GreenPoint Rated reference to the Project in question;
 - b. avoid inclusion of any quantitative score; and
 - c. clearly indicate that the GreenPoint Rated designation is expected, not actually awarded. For example, suitable
- J. In marketing and media reference of the Project, Builder agrees to include reference to GreenPoint Rated.
- K. Regardless of any logo use approval, Build It Green reserves the absolute right, in its sole discretion, to subsequently

- L. Builder is responsible for its own use of the GreenPoint Rated program logo, as well as use by its agents, representatives and contractors, including without limitation, Builder's printers and consultants for advertising, marketing and public relations.
- M. If at any time Build It Green in its sole discretion determines that the completed Project may not qualify as GreenPoint Rated; Builder shall discontinue all use and distribution of any communications and/or collateral materials containing the
- N. Build It Green may terminate Builder's rights under these Terms and Conditions without cause at any time upon providing Builder thirty (30) days advance notice. In such event, Builder may continue using the GreenPoint Rated name and logo for any Project previously approved by Build It Green that remains in good standing, as provided in this Terms and Conditions.
- O. Nothing in these Terms and Conditions shall be construed to grant or convey to Builder any title, ownership or interest in the GreenPoint Rated name, logo or associated intellectual property rights, which remain the sole and exclusive property of Build It Green. Instead, these Terms and Conditions only provide the Builder a limited, revocable license to use the GreenPoint Rated name in strict conformity with these Terms and Conditions.
- P. The Parties agree that Builder's breach of any provisions of these Terms and Conditions will cause irreparable harm to Build It Green and, therefore, agree that injunctive relief shall be available to Build It Green as an available means to enforce these Terms and Conditions.
